Glen Growden Phone: (08) 8862 0810

Waste Contractor:

Clare Valley Waste Service
Mobile: 0438 884 340
Box 60, Brinkworth SA 5464

Waste Collection, 140L MGB, red lid, collected fortnightly.

Recycling Collection, 240L MGB, yellow lid, collected fortnightly.

Green Organics Collection 240L MGB, green lid, collected fortnightly.

No collection on Christmas day or New Year's day, alternative day will be the following Friday.

Residents outside the townships must take their waste to a transfer station or ring Clare Valley Waste Service on the number listed above to privately arrange a MGB Collection.

Transfer Stations

Everard, Owen, Port Wakefield
Ensure your load is properly covered before you leave your property so refuse is not discarded on the trip.
Loads larger than a tandem trailer MUST be taken to Cleanaway Landfill site at Inkerman, ph. 8867 1355.
All transfer stations are closed on Christmas Day, New Year's Day, Good Friday and catastrophic fire danger days

Segregations at transfer stations;

- scrap metal
- electrical appliances
- TV's and computer equipment
- paper/cardboard
- Cooking oil (liquid type only)
- timber
- green waste
- car/truck batteries
- waste oil
- glass (bottles and jars only)
- carpets/mattresses
- empty fire extinguishers
- empty gas cylinders
- clean drums (not chemical containers, see below)
- dry cell batteries
- smoke detectors
- mobile phones
- hard refuse
- household waste.

Waste not accepted

- Ammunition/Explosives/Flares
- Asbestos
- BCF Fire Extinguishers (yellow type)
- Chemicals
- Frytol—deep fry oil (white/solid type)
- Hazardous Waste
- Liquid Waste
- Noxious Weeds
- Soil—contaminated
- Deceased animals

Recycle empty, clean chemical containers through Drum Muster.
Triple rinse containers.
Steel drums to be punctured.

Collection days will be advertised in Council's quarterly newsletter.

Collection day calendars & further information is available on our website www.wrc.sa.gov.au.

Rules and regulations

1. All loads need to be segregated before entering the Transfer Station/Waste Depot.
2. Waste to be unloaded as directed by attendants (see segregation list above).
3. Proof of residency within Wakefield Regional Council via current Drivers licence or a current rate notice.
4. Dead animals not accepted.
5. You must be unloaded and out of the transfer station before closing time.
6. Scavenging is not allowed, items can be purchased, ask attendant.
7. If dogs accompany depositor to waste depot they must be restrained.
8. Electronic Equipment—Owner is responsible for removing any confidential/private data before disposal. Once disposed of, no items are to be returned or reused.
