FINAL FOOTBALL REPORT 2026

B's Premiership From The Clouds

They say timing is important whether it be a race or a game. Well that now applies to the Blyth Snowtown B graders. They had to win their last minor round game and “pray” that the fourth ranked Mintaro Manoorra lose. That happened. Then to defeat North Clare, BBH and finally BSR in that order to triumph was unbelievable, bearing in mind that they hadn't defeated any of those 3 sides in the minor round. Selection stability and confidence were their cornerstones; a mix of youth and experience; good calm coaching via James Henderson and Neil Mackay; and us mob on the boundary cheering them on. That all helped. Congratulations to them all.

B Grade Premiers 2026

Under 14 Heroes

If enthusiasm and courage are part of your team, then you will make your club proud of your achievements. That was certainly the case with the Cats under 14's. After a desperately close win over RSMU in the preliminary final, their efforts as a team in the Grand Final versus the “giants” of Mintaro Manoorra was outstanding. They led at three quarter time change but just couldn't hang on in desperate last term. Credit to coach Glenn Hayes who inspired his little troops with his encouragement and direction. The Blyth Snowtown Football Club has a future.

At the Last Training of the season - our Under 14 heroes.

Best Team Man – Shannon Upton.

Leading Goal Kicker – Seth Angus.

Most Improved Senior Player – Carter Pratt.

Footnote : History repeating! With Clare High Year 12 student Coby Bigg winning the Cats Best and Fairest in 2026, it was a unique case of history repeating itself. Back in 2000, the then St Mark's Year 12 student Simon McCormack won the first of his four Medal wins. Let's hope Coby has the same success and enjoyment that the Rat had over his career. In a twist of fate, Simon then, and Coby now, wear guernsey number 10.

**BSFC DARREN PRATT MEMORIAL FOR BEST CLUB
PERSON: CONGRATULATIONS BRAYDON KEECH**

The Darren Pratt Memorial Trophy for Best Club Person is proudly awarded to Braydon Keech. Braydon is someone who continually gives his time and effort to our club in so many ways. This season, Braydon has taken on the role of B Grade Team Manager, while also helping in the kitchen with our Snowtown teas.

He has also taken over Derryn's famous deep fryer duties, making sure the hot chips and meals keep coming!

Braydon has been a valued member of our Social Committee, including leading the committee for many years and playing a major role in organising and supporting the club's social events.

Braydon is always one of the first to offer to help at the Easter Races behind the bar.

On top of all this, Braydon is also part of our Snowtown maintenance crew, helping to keep our facilities and grounds looking their best. Now, we can't talk about Braydon without mentioning his football career! Every couple of years, Braydon somehow finds the motivation to get himself fit and ready for another crack at playing. Unfortunately, this usually ends with his body reminding him why he only does it every couple of years, and maybe team managing is his extent of on field contribution!

This year, however, he managed to make it onto the field and, with his very first kick of the game, produced what can only be described as a perfect 30-metre kick... unfortunately in completely the wrong direction! It was a kick that showed great technique, confidence and absolutely no concern for where his teammates were standing. And just when we thought things couldn't get any better, Braydon decided he would take on Tim Dalla. What followed was less of a tackle and more of a reminder that Braydon's body really does prefer retirement — resulting in Braydon spending the next couple of weeks with his arm in a sling!

But that sums up Braydon perfectly — he is always willing to have a go, always willing to help and never afraid to put his hand up for the club.

**Congratulations, Braydon
and thank you for
everything you do for our
club!**

BSFC NEWEST LIFE MEMBER DERRYN STRINGER

The BSFC would like to recognise Derryn Stringer for the incredible amount of time, energy and commitment he has given to the Blyth Snowtown Football Club and the Snowtown Football Club over many, many years.

When you look at the list of achievements and roles Derryn has taken on, it really does make you wonder when he ever found time to go home!

1999 – 2018
184 Senior games
2005, 2006, 2013, 2014, 2015
Social Committee Member
2007- Social Committee Vice President
2008, 2009, 2010, 2011, 2012
Social Committee President
2008-2017
Blyth Snowtown Football Club Committee
Member
2009, 2010, 2011
Snowtown Football Club Committee Member
2012- 2026
-Snowtown Football Club Vice President
2010, 2011
B Grade Captain
2014, 2015, 2016
NEFL player advocate
2018 – 2025
Joint Sponsorship Coordinator for Football Club
2016, 2023, 2024, 2025, 2026
B Grade Runner
2015 – 2026
Snowtown Pavillion Tea organiser and cooker.
2021 – 2026
Snowtown Canteen Manager.

One of the major achievements that deserves special mention was the work involved in establishing the new pavilion and changerooms. That project took a power of work, and it required plenty of time, effort, organisation and persistence. It is something that the club and our members continue to benefit from today. So, if there's a football game happening, chances are you'll find Derryn somewhere nearby – either on the oval, in the committee room, in the canteen, in the pavilion, running for the B Grade, organising sponsors, cooking food, or probably fixing something that nobody else even realised needed fixing!

Derryn has given his time freely, he has helped build the club we have today, and his contribution will continue to be appreciated by the players, volunteers, supporters and families who come through our club in the future.

On behalf of the Blyth Snowtown Football Club, the Snowtown Football Club, our players, members and supporters, it is our absolute pleasure and privilege to recognise Derryn's outstanding contribution to our club.

For 20 years of service, 184 senior games, countless hours of volunteer work and an enormous contribution both on and off the field,

we are delighted to award Life Membership of the Blyth Snowtown Football Club to: DERRYN STRINGER

Congratulations, and thank you for everything you have done – and continue to do – for our club.

KNOWING THE FIRE DANGER RATING MAY SAVE YOUR LIFE

Fire Danger Ratings are now simpler and easier to understand. By using the latest science and technology, they provide a more clear and accurate rating to save properties and lives.

The Fire Danger Ratings give you an indication of the consequences of a fire, if a fire was to start.

The higher the rating is, the more dangerous the conditions will be.

WHAT YOU NEED TO KNOW

The Fire Danger Ratings have four levels, which are:

MODERATE

Plan and prepare.

Most fires can be controlled

- Stay up to date and be ready to act if there is a fire.

HIGH

Be ready to act.

Fires can be dangerous.

- There's a heightened risk. Be alert for fires in your area.
- Decide what you will do if a fire starts.
- If a fire starts, your life and property may be at risk.
- The safest option is to avoid bushfire risk areas.

EXTREME

Take action now to protect your life and property.

Fires will spread quickly and be extremely dangerous

- These are dangerous fire conditions.
- Check your bushfire plan and that your property is fire ready.
- If a fire starts, take immediate action. If you and your property are not prepared to the highest level, go to a safer location well before the fire impacts.
- Reconsider travel through bushfire risk areas.

CATASTROPHIC

For your survival, leave bushfire risk areas.

If a fire starts and takes hold, lives are likely to be lost.

- These are the most dangerous conditions for a fire.
- Your life may depend on the decisions you make, even before there is a fire.
- Stay safe by going to a safer location early in the morning or the night before.
- Homes cannot withstand fires in these conditions. You may not be able to leave and help may not be available.

BLYTH SNOWTOWN NETBALL CLUB

VOLUNTEER OF THE YEAR: SAM MACKAY

The Blyth Snowtown Netball Club Volunteer Award was an idea put forward by Life Member Heather Griffin to recognise and celebrate the special contribution made by those who generously give their time, energy and heart to our club. Since the award's inception in 2000, Heather has generously donated towards this award, helping us acknowledge the wonderful volunteers who work behind the scenes and give so much to our netball community.

Volunteers are the heart of our club. Whether it is helping on game day, supporting our players and teams, organising events, taking on a committee role, or simply being there when needed, every contribution makes a difference.

One of the most special things about this award is seeing how many of its early recipients continue to be involved with and contribute to our club today. Their ongoing commitment is a wonderful reflection of the strong community spirit, friendships and sense of belonging that make the Blyth Snowtown Netball Club so special.

This award is a heartfelt thank you to those who continue to give their time and make a difference — because it is through the generosity and dedication of our volunteers that our club continues to grow, thrive and remain a place we are all proud to be part of.

This year's award winner is Sam Mackay for Volunteer of the Year in recognition of her outstanding contribution and commitment to our club over many years.

Sam is someone who continually goes above and beyond, giving countless hours of her time across all areas of the club. She doesn't just take on one role – she is always willing to step in wherever she is needed.

Sam's contribution includes:

Committee Member – 2021, 2022 & 2026

Club President – 2023

A2 Coach – 2019 & 2023

Sub Juniors 2 Coach – 2025 & 2026

Umpires Coordinator for multiple years

Organised the club's match-day rosters in 2026

Regularly umpires more than one game on a Saturday Represented our club umpiring at Country Champs in Adelaide and volunteering to umpire country champs trainings and trials

Mentors and supports developing umpires

Organised C Grade umpiring testing, helping umpires progress and develop their skills

Organised numerous netball trips, helping build team connection and club culture

Has organised club merchandise over several years, including umpire jackets, Shirts and Jumpers

Regularly assists with match-day duties and steps in wherever help is required

BLYTHSNOWTOWN FOOTBALL CLUB

HEATHER GRIFFIN TROPHY

VOLUNTEER OF THE YEAR

SAM MACKAY

volunteered to organise police checks for the club. Parent representative for the Cats Creche for many years and so much more.

Sam's contribution goes much further than simply filling roles. She leads by example, supports those around her and has had a genuinely positive impact on our club culture. Her commitment to developing our junior players and umpires is particularly valuable, helping ensure the future strength of our club both on and off the court. She goes above and beyond for our juniors, for example this year she donated prizes for a coloured training the juniors had. Sam is often found setting up the courts every Thursday at both Blyth and Snowtown and then seen packing this away after trainings.

On any given Saturday, Sam can be found umpiring multiple games, coaching, helping wherever needed and then pulling on the dress to play herself. She is someone who doesn't just ask others to volunteer – she gets in and does the work alongside them.

Sam has contributed to almost every aspect of our netball club, often without recognition and without expecting anything in return. The fact that it is difficult to even list everything she has done says a lot about the type of volunteer she is.

Congratulations Sam

KUMANGKA PROJECT

Hello everyone and what a disappointing September rainfall amount we have had. Chuck in a couple of warm days at the end it has taken a little of the shine out of the crops and I did notice on my walk through Kanger's bush block it has affected some of the understory plants.

However, there was one plant that was flowering while I was up there and that was this one.

Its *Anthrhopodium strictum* or Common Vanilla-Lilly, there is also a less common one the Nodding Vanilla-Lilly, but let's just look at this one. The reason for the common name is that it smells like chocolate, and some people say that if you can grow a real cluster of them it ends up smelling like a Cadbury's chocolate factory. These plants seem to be very easy to grow, tough and very much suit our climate which means low water requirements and could easily become a tourist attraction down our main street with every tourist trying to find the chocolate factory instead of the "Bank".

We do have another bulb that looks like this one, which is flowering now, *Dianella revoluta* or Black Anther Flax Lilly. This one you find growing in rather larger clumps and has much more strappier leaves, but again it is still tough and very drought tolerant. All our bulb plants are very tough as they don't have to flower and set seed to propagate itself as it can do that via a bulb. Have a go at growing these local bulb plants, you will enjoy the diversity and that extra dimension it adds to your garden.

On our trip up the Flinders a couple of weeks ago, I was surprised by the number of distilleries and breweries we came across, from Parachilna to Melrose, and it made me think (which doesn't happen very often) given that we grow great barley here why hasn't someone started a brewing business. More sustainable than the wine industry at present, and it would draw tourist to the town.

Finally,
I have to congratulate the Snowtown Blyth B Grade football team on their most unexpected win. I am sure Paul will have a lot to say about, plus all the netballers well done and finally congratulations to The Golf club on their 100 years.

Bruce Michael
