12 Elected Member Reports and Briefings

Cr T Williams – 19 February - Attended the Port Wakefield CMC meeting. The committee members elected were almost entirely new apart from one person. It is a good step forward for the community and encouraging to see such a good turnout of people.

Cr Bowyer – Attended the Fire and Emergency Services Amendment Bill Select Committee public hearing held in the Phil Barry Chamber on 7 February 2019. Cr Bowyer felt that it was a great opportunity to have the hearing here at Wakefield Regional Council and congratulated the Acting Chief Executive Officer, Steven Griffiths, on his submission. There was a large attendance and all submissions were of a high standard. Cr Bowyer noted that the hearing participants were protected by parliamentary privilege and lamented the fact that Elected Members of Council are afforded no such protection. He felt that the Local Government Act should give this some consideration as lack of protection can at times restrict Councillors' ability to debate issues without fear.

13. Delegates' or Representatives' Reports

Cr T Williams – 25 February 2019 – Attended the Lower North Health Advisory Committee meeting in Clare. \$2.6 million will be spent on Lumeah Homes at Snowtown for renovations. This will secure the future of Lumeah Homes. Improvements will include a new roof, refurbishment of rooms and better fire safety provisions. Work is scheduled to start in July. Completion of the works, in approximately twelve months, will see occupancy rates increase from 15 – 19. Concept plans are being drawn up in consultation with residents and families. This is great news for the region and town as they can continue to provide care for their aged residents. Lumeah Homes employs 35 people, making it one of the largest employers in the town.
